

## **Final Cut Pro Editing 101 – 5 days**

Completely revised for Final Cut Pro 7 and featuring new footage from TNT's hit show Leverage and the international music creation event Playing For Change: Peace Through Music, this best-selling, Apple-certified guide provides a strong foundation in all aspects of video editing.

Each chapter presents a complete lesson in an aspect of video editing and finishing, using professional broadcast footage. After marking and editing clips to create a rough cut, you'll learn how to trim and refine the cut before moving on to complex tasks such as adding titles, creating transitions and motion effects, applying filters, and working with multi-format and multi-camera footage. The book covers Final Cut Pro's exciting new features, including iChat Theater support, the redesigned speed tools, and sharing projects on a Blu-ray disc, DVD and Youtube and 3G.
